

Aloha!

The Wrightsville Beach Outrigger Canoe Club (WBOCC) strives to perpetuate the Hawaiian culture of outrigger canoe paddling, and to provide opportunities for everyone in our community to engage in a healthy, safe, and inclusive water activity. As the first outrigger canoe club in North Carolina, we offer paddling programs for competition, along with social paddles to experience our coastal waters.

Together, we participate in competitive outrigger races. We have traveled to Hawaii, California, New York, Florida, and DC to compete. We also volunteer our time on a local level, by partnering with organizations such as Nourish NC and Momentum Recovery.

WBOCC is managed by dedicated members who volunteer their time and provide their skills, assistance, and resources to ensure the club's sustainability.

As a local non-profit organization, our major source of revenue is generated by membership fees and fundraising efforts. These funds are then reinvested into the club for the benefit of everyone involved.

This sponsorship proposal is a new initiative we are launching for the 2021 season, and we want to reach out to local individuals and businesses so that we can support each other and continue to be positive influences in our community.

We acknowledge that seeking funds in these difficult economic times won't be possible for some. However, if you can - E Komo Mai - we welcome you! And we'd love to have you take a look at our sponsorship packages.

Kind Regards,

Hannah Gaerlan, Club President
